Dear Mr. Thom:-

Your letter of the 16th enclosing cheque for ten dollars has been received. I am very glad that you are pleased with the Belgian medal.

Yes, we have already started to plan for a peace medal. A competition for the design is to take place, and we hope to have the medal ready for issue within a week or so of the date the treaty is signed. You will receive a circular illustrating the medal early in the year.

Very respectfully yours,

Secretary.

Mr. Robert W. Thom,
Collingwood, Ontario.

My dear Mr. Thom:-

Your letter of no date, returning statement sent you the first of this month, has been received. We regret that unfavorable exchange from Canada should cause your application for resignation.

Bills for dues have been mailed to you from time to time since January 1st, 1920, but we have only heard from you in the last few days. During last year we rendered you our full service, including all issues of our American Journal of Numismatics, which cost us more than the amount of your dues for that year. Chapter IV, Article 3, of our By-Laws reads: "Resignations of all members shall be made in writing, to the Council. A member presenting his resignation after the January meeting shall not be relieved from paying his dues for the current year."

As we have held the five books published this year, pending your reply, I can request Council to relieve you of your dues for 1921. But I feel sure you will see the obligation on your part to remit for 1920. I am therefore taking the liberty of enclosing a statement for 1920 dues, trusting to hear favorably from you in time to present your resignation at the next Council meeting to be held May 13th.

Very respectfully yours,

Treasurer.

Dear Sir

I have your letter
of April 26th suggesting that
I forward \$5.00 for last year's
fee.

You possibly have not realized
our position here in Canada
in connection with the exchange.
It is not the small amount
involved or much as a matter
of principle. You would surely
consider it a hardship if you
had to pay 5% to send \$5.00
American to Canada.

Due to
these conditions alone and
much to my regret I have to

with many others to cut out
our U.S. liabilities where ever
possible. Things can never
be adjusted otherwise just
so long as we keep forwarding
funds to U.S. so long will
these conditions pertain.

I have been
an associate member of the
A.N.S. for several years and
purchased two $\frac{1}{2}$ " 10.⁰⁰ silver
medals. The only brook I received
was last year. I cannot say
why I did not receive any
previous year.

I received the various
notices and was hoping all
along that I could still continue
a member of an organization
to which I was proud to belong
but we must deal with the
situation, we cannot make flesh

3

of one and four of another
again regretting that I
am unable to continue my
membership with you and trusting
this explanation is satisfactory.

I remain

You respectfully

Robert W. Thayer

Dear Sirs

I am enclosing my
annual fee for 1922.

Kindly consider this
as notice to discontinue my

after the close of this year.

I am altogether too distant

excellent gatherings and I notice
I am about the only one outside
of your immediate neighborhood who
belongs. Wishing you every success.
